SIR:

In connection with the above-identified patent application, and in response to the outstanding office action dated February 3, 2006, an Amendment was timely filed on February 28, 2006, however, as a result of a recent conversation with Examiner Chan, it has come to the attention of the undersigned Attorney of Record that the Amendment filed on

February 28, 2006, as evidenced by means of the attached copy of the Attorney's date-stamped filing receipt card, has apparently not been entered into the official application file.

I am therefore attaching a true, complete, and accurate copy of the Amendment as filed on February 28, 2006, along with the copy of the date-stamped filing receipt card, and respectfully request that this Amendment be immediately entered into the application file so as to prevent the application from becoming abandoned.

NO EXTENSION OF TIME FEE IS REQUIRED IN VIEW OF THE
TIMELY FILING OF THE AMENDMENT ON FEBRUARY 28, 2006 AS EVI-
